

Dental Pathology and Practice (Classic Reprint)

By Frank Abbott

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 262 pages.

Dimensions: 9.0in. x 6.0in. x 0.6in. Excerpt from Dental Pathology and Practice To undertake the preparation of a work which should, even approximately, exhaust the topics embraced in the title of this volume would be a task far beyond my intention or even desire. Such an exhaustive treatise would assume proportions which would discourage any but the most ardent student in dental surgery. I have therefore aimed simply to present, as concisely as possible, the most common and important pathological conditions found in the oral cavity, with the treatment in each condition which has proven most satisfactory in a practice extending through a long series of years. Again, in the great mass of material pertinent to the subject in hand, with which I find myself confronted, much is of the highest importance to every student in our specialty; but on the other hand, much more is of a character which in my judgment it would be a waste of time and energy to attempt to embody in an intentionally limited work such as I have set before me. I have found also that the selection from this great mass...
