PENNY STOCKS TOP TRADING STRATEGIES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What will go up, what will go down? If you re looking to trade Penny Stocks, then this book is for you. It contains immediately actionable trading ideas, developed by scanning Penny Stocks in search of those who perform better using seven well-known trading strategies: - Calends - Four Seasons - Thanksgiving - Triple Witching Weeks - January Barometer - December Low Reversal - Sell in May and Go Away. These are time-based trading strategies. They call for opening a trade at a specific time and also closing it at a specific time. For example, with the Thanksgiving Strategy you open a trade on the Monday before Thanksgiving Day and close it on the following Friday. With time-based trading strategies you do not have to guess. You know beforehand when to enter and exit a trade and what return you can likely expect. The author of Penny Stocks Top Trading Strategies has over 25 years of trading experience and has taught courses in finance, accounting and real estate. He has written this book in an easy and understandable way that does not require you to have prior math or trading knowledge. Penny Stocks Top Trading Strategies starts by briefly describing the mechanics of each trading strategy. It then lists, for each strategy, the top 20 Penny Stocks expected to outperform based on their past performance, detailing its historical winning percentage, expectancy and average return. The Kindle version of this book is periodically updated to reflect new market data. You can receive these updates automatically and at no extra charge. It s as if you were subscribing to a Penny Stocks trading newsletter but without the cost! The print version...
