Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Without working life support systems life on Earth becomes impossible. This book recognises this simple condition as inescapable matter of politics and therefore political science. The continuation of life, survival, as a minimum objective for all governance, cannot be ignored. However, contemporary political thought is dominated by democracy promotion and this potentially undermines chances for sustainability. Given the current catastrophic course...
