

Be the Change: Saving the World with Citizen Science

By Chandra Clarke

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 124 mm. Language: English . Brand New Book. Can You Save The World? It s so easy to be overwhelmed by everything that is wrong in the world. In 2010, there were 660,000 deaths from malaria. Dire predictions about climate change suggest that sea levels could rise enough to submerge both Los Angeles and London by 2100. Bees are dying, not by the thousands but by the millions. But what can you do? You re just one person, right? The good news is that you *can* do something. It s called citizen science, and it s a way for ordinary people like you and me to do real, honest-to-goodness, help-answer-the-big-questions science. This book introduces you to a world in which it is possible to go on a wildlife survey in a national park, install software on your computer to search for a cure for cancer, have your smartphone log the sound pollution in your city, transcribe ancient Greek scrolls, or sift through the dirt from a site where a mastodon died 11,000 years ago-even if you never finished high school. Part 1 of Be the Change: Saving the World with...
