A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e.pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

They, like most newly weds perceive their marriage as the best on the face of the planet. Rightfully so, but a series of disasters awaits them from the word go! They are sublimely unaware of their own role in the hilarious events that follow on their honeymoon and afterwards. A concoction of political, religious and social misadventures follow and they have their own few minutes in the spotlight of mediocrity. Their lives are touched by unplanned and unabated misfortune and they have little control over the events that shape them in life after marriage.
