Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.For over the last sixty years, just a handful of certain elite higher up officials and scientists in our government have been harboring some very amazing secrets, deep down in the bowels of area 51. These secrets have been kept very highly classified from even all the military personnel their and all the US Presidents during this time period. Until finally the secrets have matured to a level of finely machined tools, to be turned lose on this planet, with an assortment of amazing weapons beyond today s reality. Wilds and Celia grow up almost as normal as others. Suddenly one day as they turn into young adults they find themselves very different from others. They had to learn very young and very fast to master the art of hiding who they have become. Are they thrill seekers, suicidal or just plain born on this planet as a half breed alien race? You will have to decide as the proof is in the RAGE! You could say they were planned out many years before conception, to be what they are today. Completely extraordinary, unite and superior, while being unmatched by any other in the world. Are they thrill seekers, suicidal or just plain bizarre? You will have to decide as Wilds Rage takes human life on this planet to another level. The human population of this planet is in turmoil today and we need to set it s people back on the right path. How do we do it in our lifetime? There is but one way. It s not sugar coated, it s not inhumane either, but its somewhere in-between. It s in that gray area between...
