Crossway, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Be warned. This looks like a book on how Calvin thought about living the Christian life. But open it and you will discover that Mike Horton is driving you on a grand Calvin tour of the whole of theology. And that, of course, is Professor Horton's (and John Calvin's) point: it takes the whole biblical gospel to make a whole Christian life. By employing the classical formulation of the two natures of Christ ('distinct but not separate'), Dr. Horton provides readers with a key to help unlock Calvin's teaching. But more than that, he shows why the Genevan Reformer's vision of the Christian life remains unsurpassed. Thoroughly satisfying, thoroughly enjoyable, and thoroughly recommended." --Sinclair B. Ferguson, Professor of Systematic Theology, Redeemer Seminary, Dallas, Texas "Learned and lucid, masterfully organized, and vigorously expressed, this full, solid, and exact study of Geneva's reforming pastor is an outstanding piece of work. In all four sections Calvin comes to vigorous life. Calvin's reputation for godly wisdom, and Horton's for vivid writing, will certainly be enhanced." --J. I. Packer, Board of Governors' Professor of Theology, Regent College "Calvin on the Christian Life provides an amazingly personal and comprehensive portrait of the Reformer's passions and positions, constantly connecting them to issues of belief and practice in our day. Far more than a synthesis of Calvin's thought and practice, this book provides readers with an intimate glimpse into his private piety." --Nancy Guthrie, Bible Teacher; author, Seeing Jesus in the Old Testament Bible study series "Scholar and pastor Michael Horton has provided us with a well-researched introduction to John Calvin's doctrine of piety--Calvin's word for the reverence and love that the gospel produces in all our relationships. One of the most...
