Brand New Book ***** Print on Demand *****.The aim of Critical Thinking and Literature: Resources is to help students think critically about and analyze different kinds of writing. They can then arrive at their own understanding about the meaning of a reading selection. Students learn how to organize their thoughts and analysis so that they can write about their understanding of each reading selection. Critical Thinking and Literature: Resources a book of literature selections from short stories, folklore, documents, newspaper columns, poetry, etc. The workbook is self-contained. All the readings are included in the workbook. Students complete most of the comprehension exercises and short written assignments in the workbook too. Critical Thinking and Literature: Resources is designed for readers in or above the middle school level. If you review the selections, you can easily see which can be used with lower level students, e.g., the Red Riding Hood selections while the comparison using Shelley s Ozymandias is probably more suited for more mature readers. Students use various reading selections as the foundation for analyzing and thinking about the content, meaning, and theme. Graphics thinking organizers...
