

Managing Further Education: Learning Enterprise (Paperback)

By Jacky Lumby

SAGE Publications Inc, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. ` This is a welcome addition to an impoverished field and will be referred to extensively by management developers, college managers undertaking postgraduate studies and by researchers - Learning and Skills Research Journal The incorporation of the further education sector in 1993 was followed by a period of extreme turbulence. Colleges plunged into the complex task of managing huge organizations while under pressure from cuts in funding and a steady expansion in the number and range of students. While financial scandals may have attracted attention, the success of the further education sector in continuing to provide a vital educational service for millions of people has been less recognized. Despite the significant contribution of the sector to education and training, practitioners struggle to find adequate research evidence on which to base reflection and practice. They need material relevant to the specific situation of managers working within this very hybrid sector, part public sector education and part commercial organization, catering for an age and ability range greater than that of any other educational sector. Based on a national survey of college managers, this book investigates how managers are...
