Taunton Press, United States, 2014. General merchandise. Condition: New. Language: English . Brand New Book. Hall Table with Seamless Drawer - a graceful design inspired by nature. Woodworker Jennifer Anderson designed the legs on this table with a pronounced taper that is wider at the top to echo the shape of the calla lilies that grow wild on the California coast. The cut-away top was designed to put the legs on full display, and aprons were shaped with an arc to reinforce the theme. Even the frame-and-panel that supports the drawer from underneath was integrated into the decorative design. A satisfying project for intermediate woodworkers. This exquisite hall table involves a variety of joinery, from interlocking mortise-and-tenon joints to dovetails to dowels. The legs can be shaped, as Jennifer did, using a combination of machine work and hand tools. Order your plan now and build a beautifully proportioned table to grace your foyer, living room, library, or any room in your home. And, for a beautiful finishing touch, top it with a vase of callas! SKILL LEVEL: Intermediate FINISHED SIZE: 11-1/2 in. wide x 20-1/2 in. long x 34 in. tall PRINTED PLAN INCLUDES: Extensive full-size and scale drawings Detailed cutlist Step-by-step companion article.
