Vikas Publishing House Pvt Ltd 0. Softcover. Book Condition: New. 5th or later edition. Any book on solved problems would be welcome by the students as they dread the unsolved problems the most. Problems and Solutions in Advanced Accountancy?Vol. I and II is the result of realization of the same fact. However, this book will serve its purpose the best if before referring to it the students have attempted to solve the questions on their own. The book has been designed specially to serve as a complementary set to the textbook Advanced Accountancy?Vol. I and II, authored by the same team as Dr S N Maheshwari and Dr S K Maheshwari. It contains detailed solutions to all the practical problems given at the end of each chapter in Advanced Accountancy, as also solutions to the problems set at the recent university and professional examinations.
