Reviews

Without doubt, this is the very best work by any writer. Indeed, it can be play, still an amazing and interesting literature. I am just very easily can get a pleasure of reading through a written pdf.
(Alda Barton)

LOVE ENERGY

Paperback. Condition: New. 47 pages. Improve happiness, relationships, health, wellness, and your enjoyment of life through a basic understanding of Energy and Energy Work. We are energetic beings living in an energetic world. These energies are constantly interacting. This is a short simple guide that teaches the basics of energy (for the novice or professional) and how we interact with our world. The book includes 22 fun activities to learn to work with and play with your energy. This is a great tool for Energy Healing Practitioners to help them explain energy work to their clients. You Will Learn: Energy BasicsEnergy is in everything and all matter is connected by energy. Energy can be visible or invisible. Energy cannot be destroyed or created but can be transferred or transformed. Two categories of Energy are stored and kinetic (energy in motion). Energy is present throughout our bodies. Energy holds information. Human Energy FieldThe rings of energy that surround and are inter-related with the body are called The Human Energy Field or Aura. The Human Energy Field interacts with the Energy of others throughout the day. You can learn to be more aware of your energy and how your energy influences others. EmotionsEmotions are energy and have varying frequencies. Love and Fear are the two primary emotions. Repressing emotion causes energy blockages in the body (disease). The breath is the most important tool we have to return the natural flow of energy in the body. Energy Work can be effective in releasing emotional blockages in the body. BeliefsBeliefs are generated and held in the body from our thoughts. Beliefs can be in the body from genetics, the environment, group consciousness, and/or from learned behavior. Beliefs affect our response to experiences and the types of emotions we feel the way different lenses change...
