Authentic Media. Paperback. Book Condition: new. BRAND NEW, *Nine Minutes Past Midnight: Medical Encounters with a Miraculous God*, Ernest F. Crocker, "If you are a believer this book is a must read. If you are a sceptic this is a must read for you too. If you think you are too "intellectual" for Christian belief let this book tell you how wrong you are and inspire you to try a better way with God, instead of without Him. Highly recommended - a great Australian book which will blow you away." (Marian Klitzke, (Tasmania), a retired social worker and ex-owner of a Christian bookshop. Emailed to the author and posted on You-tube with the promo.) Trained at the University of New South Wales, Dr Ern Crocker is an experienced nuclear medicine physician, and the first to practise ultrasound in Australia. As he reconciled his Christian faith with his understanding of medicine, Dr Crocker became aware that God was working alongside him during an after-hours medical emergency. In this book, Dr Crocker recounts this life-changing encounter with the miraculous power of God, and also presents the testimonies of many other doctors who, like him, have experienced the presence of a "silent partner" as they carry out their medical duties. Readers will be amazed at these insiders' accounts of how God intervenes in the world of medicine today! "An essential read for those struggling with the considerable challenge of integrating a passion for the science of medicine, the art of compassionate holistic care and a love of the God who has created them." Dr Michael Burke MBBS, PhD, FRACGP, FAICD Christian Medical and Dental Fellowship of Australia "It is my hope that this book will encourage a large number of people to recognize that their hope lies with God, rather than with themselves."...
