Victoria Mahler is the sixteen-year-old only daughter of rocker Micky Wayne, whose band, Dusty Moon, took the world by storm when Micky was just a teenager. The band broke up under mysterious circumstances, but, after years spent off the road being a mom, Micky's solo career is finally starting to take off. When an offer to tour Japan falls into her mom's lap, Vic is left to spend the summer under the care of her distant grandmother, and without her built-in best friend. Fortunately, a boy with a secret geek side and a group of feminist game-makers save the season, and Vic starts to see herself as her own person, out from under her mother's shadow. But when Micky finally comes home - with a poorly chosen boyfriend in tow - all bets are off. Will Vic be able to maintain her newfound sense of self amidst the building thunder...

*It in just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).*
