

## The Torrens System: A Manual of the Uniform Land Registration ACT in Virginia (Classic Reprint) (Paperback)

By Eugene C Massie

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Torrens System: A Manual of the Uniform Land Registration Act in Virginia Some years ago I heard Mr. Massie, from his seat in the House of Delegates, deliver in advocacy of his bill embody ing the principles of the Torrens system, the most power ful and eloquent argument I have ever listened to on the ?oor of either House. The time was not then ripe, but his labors then and since have now borne their fruit. With such equipment it has been a labor of love to pre pare this guide book to the proper understanding and administration of the law which he did so much to put on the statute books. The book not only contains an annotated copy of the act itself, but answers with vigor and ability the criticisms based upon grounds of legality and expediency to which the act has been subjected. I think Mr. Massie has made a valuable and permanent contribution to the literature of the. Law. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
