In fact, it might be in its most challenging age yet. Salary demands are climbing, but quality staff are diminishing. Governmental insurance demands make it more difficult to collect and make money. Specialized skills like filing insurance, selling frames, and understanding the science of optics are becoming harder to find. More and more Optometrists are graduating from school. There are less and less jobs. Oh, by the way, did I mention that many of these graduates have over \$100,000 in school debt?
