## Black Ops Advertising: Native Ads, Content Marketing, and the Covert World of the Digital Sell

By Professor of Media Studies Mara Einstein

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From Facebook to Talking Points Memo to the New York Times, often what looks like fact-based journalism is not. It's advertising. Not only are ads indistinguishable from reporting, the Internet we rely on for news, opinions, and even impartial sales content is now the ultimate corporate tool. Listener beware: content without a corporate sponsor lurking behind it is rare indeed. Black Ops Advertising dissects this rapid rise of sponsored content, a strategy whereby advertisers have become publishers and publishers create advertising - all under the guise of unbiased information. Covert selling, mostly in the form of native advertising and content marketing, has so blurred the lines between editorial content and marketing message that it is next to impossible to tell real news from paid endorsements. In the 21st century, instead of telling us to buy, buy, BUY, marketers engage with us so that we share, share, SHARE - the ultimate subtle sell. Why should this concern us? Because personal data, personal relationships, and our very identities are being repackaged in pursuit of corporate profits. Because tracking and manipulation of data make likes and tweets and...
