Brand New Book ***** Print on Demand *****.During her time working at the zoo, the zookeeper has taken care of all the different animals that one finds there. On occasion, she noted that there were those that behaved in many ways different from others of the same species. Her story tells of those strange creatures - a goat that lived in a boat, a rat that swung his tail like a baseball bat, a shark that would whistle somewhat like a lark, and many more, all trying to be different from the others that shared the same cage or pool or pasture. She invites you to enjoy those silly creatures by joining her at the zoo.
