FOX TRAPPING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Fox Trapping. A Book of Instruction on how to Trap, Snare, Poison and Shoot Foxes. A valuable Book for Pest Management, hunters and trappers alike offering traditional and time proven methods of fox control. If all the methods as given in this book had been studied out by one man and he began trapping when Columbus discovered America, more than four hundred years ago, he would not be half completed. The methods given on the following pages are principally taken from articles published in the H-T-T, and as the writers give their own most successful methods, the trapper of little experience with fox will find them of great value. Their articles are from all parts of America, so that trappers from any section will find a method or methods that can be used. The red fox is the one most sets describe, yet what is a good method for one species is apt to be for others.
