

Dance of Death: The Life of John Fahey, American Guitarist (Paperback)

Filesize: 8.18 MB

Reviews

This publication is worth getting. This is certainly for those who state that there was not a well worth studying. Its been written in an exceptionally simple way in fact it is only after i finished reading through this ebook in which in fact transformed me, modify the way i believe.

DANCE OF DEATH: THE LIFE OF JOHN FAHEY, AMERICAN GUITARIST (PAPERBACK)

[DOWNLOAD PDF](#)

Chicago Review Press, 2018. Paperback. Condition: New. Reprint. Language: English . Brand New Book. John Fahey is to the solo acoustic guitar what Jimi Hendrix was to the electric: the man whom all subsequent musicians had to listen to. Fahey made more than 40 albums between 1959 and his death in 2001, most of them featuring only his solo steel-string guitar. He fused elements of folk, blues, and experimental composition, taking familiar American sounds and recontextualizing them as something entirely new. John Fahey's real story has never been told--until now. Journalist Steve Lowenthal has spent years researching Fahey's life and music, talking with his producers, his friends, his peers, his wives, his business partners, and many others. He describes Fahey's battles with stage fright, alcohol, and prescription pills; how he ended up homeless and mentally unbalanced; and how, despite his troubles, he managed to found a record label that won Grammys and remains critically revered. This portrait of a troubled and troubling man in a constant state of creative flux is not only a biography but also the compelling story of a great American outcast. John Fahey hovers ghostlike in the sound of almost every acoustic guitarist who came after him, from Leo Kottke to Jimmy Page. In essence, John Fahey is to the solo acoustic guitar what Jimi Hendrix was to the electric: the man whom all subsequent musicians had to listen to. Fahey made more than forty albums between 1959 and his death in 2001, most of them featuring only his solo steel-string guitar. He fused elements of folk, blues, and experimental composition, taking familiar American sounds and recontextualizing them as something entirely new. His artistic voice transformed the cultural landscape of his time--and ours. Yet despite his stature as a groundbreaking visionary, Fahey s...
