LEVITICUS: A 12-WEEK STUDY

CROSSWAY BOOKS, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) Gospel Glimpses highlight the gospel of grace throughout the book; (3) Whole-Bible Connections show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The book of Leviticus can be challenging for contemporary readers, but it has an important message for the modern church. Indeed, the laws outlined in this book are more than just archaic rules. Rather, they reveal the holiness of God and the forgiveness he offers to all who sincerely repent. In this accessible study, pastor Michael LeFebvre helps readers understand how the rituals in the Old Testament law point to Christ's work of atonement at the cross--highlighting the riches of the gospel for Christians today.
