

The Wolf and the Lamb (Paperback)

Filesize: 4.24 MB

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Talia Cormier)

Poisoned Pen Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It's Passover. Gamaliel and his physician friend, Loukas, are crime-solving a third time - reluctantly. Pontius Pilate has been accused of murder. He denies the crime. If convicted, he might escape death but would be removed from Judea. Those rejoicing urge the Rabban to mind his own business. But Gamaliel is a just man which is, as Pilate says to him, your weakness and also your strength. Knowing that exonerating the Roman could cost him his position, possibly his life, Gamaliel, as would Sherlock Holmes centuries later, examines evidence and sorts through tangled threads, teasing out suspects who include assassins, Roman nobles, Pilate's wife, rogue legionnaires, slaves, servants, and thespians. Unusually, justice triumphs over enmity. Gamaliel is satisfied, High Priest Caiaphas is irate, Loukas accepts an apprentice from Tarsus, and few notice the events of what will later be known as Easter. Ramsay's plausible narrative answers some questions which have puzzled Biblical scholars for centuries. Why did Pilate hear the case against Jesus? Why invent a tradition that required one prisoner be released at Passover? And we ask, why could Caiaphas not heed Gamaliel's warnings not to martyr the man?.
