Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.PARANORMAL ROMANCE NOVELLA From the USA Today Bestselling author of the Mageri Series The same hand that had cut a man s throat just hours earlier was now holding a life that would slip through his own fingers like tiny grains of sand. Kane was faced with making a choice, and each came with a consequence that would wreck him forever. Kane never believed in things like fate or karma. Not until the night he took a life. Within the human world is a secret society of immortals and gifted supernaturals. Kane is one of them--a Sensor who experiences emotional energy through touch. But despite his good looks and easy-going personality, Kane lives a solitary life. Unlike other Sensors, he is unnaturally hypersensitive. Touch brings pain. Fate throws a curveball when a woman s life is placed in his hands. Kane is suddenly faced with a difficult decision, each with its own moral consequence, and time is not on his side. Will she be his salvation, or his ruination? Closer is a 32,000 word Novella.
