Elsevier - Health Sciences Division, United States, 2017. Paperback. Condition: New. 3rd Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Prepare for and pass your local, state, or board exams with Mosby s Dental Assisting Exam Review, 3rd Edition. This best-selling comprehensive resource is modeled after the format of the Certified Dental Assistant (CDA (R)) exam administered by the Dental Assisting National Board (DANB) and includes more than 400 all-new questions. With a total of more than 2,200 multiple-choice questions and nearly seven times the practice of the CDA (R) exam, all the standard topics and procedures specific to dental assisting are meticulously covered. In addition, an updated companion website includes a database of exam questions and a custom test generator with time-clock functionality. Plus, this is the only product on the market to address state-by-state expanded functions with state-specific questions to give you realistic practice wherever you plan to practice. Comprehensive practice with 2,800 total multiple-choice questions provides nearly seven times the practice of the board exam. National board format follows the Certified Dental Assistant (CDA (R)) blueprints with the same number and type of questions you can expect to see in the General Chairside, Infection Control, and Radiation Health and Safety component exams. Answer key and rationales help you assess your understanding and gauge your exam readiness. Unique companion website allows you to practice specific types and numbers of questions or easily generate a simulated exam from the 2,800-question item bank to mimic the types and numbers of questions on the CDA (R) exam. Realistic computerized testing experience with a clock functionality helps you learn to master time for optimal test-day readiness. Photos and illustrations included with exam questions provide realistic exam simulation....
