

My Beautiful Genome: Exposing Our Genetic Future, One Quirk at a Time (Paperback)

By Lone Frank

Oneworld Publications, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Internationally acclaimed science writer Lone Frank swabs up her DNA to provide the first truly intimate account of the new science of consumer-led genomics. She challenges the business mavericks intent on mapping every baby s genome, ponders the consequences of biological fortune-telling, and prods the psychologists who hope to uncover just how much or how little our environment will matter in the new genetic century - a quest made all the more gripping as Frank considers her family s and her own struggles with depression.
