

Owls: Birds of the Night (Penguin Young Readers, L3)

By Emily Sollinger

Penguin Young Readers. Paperback. Book Condition: New. Chris Rallis (illustrator). Paperback. 48 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Did you know that the biggest owl has a wingspan of five feet? That's big! The smallest owl is no bigger than an avocado. Filled with photographs and vivid illustrations, this book will teach you all about these beautiful birds. Excerpt: When the owlets are about one month old, they are ready to leave the nest. At first, owlets hop from branch to branch. They grab onto tree bark. They wander around on the ground. They practice flapping their wings. Look! They are flying! The owlets are now called fledglings (say: FLEJ-lings). This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Definitely one of the better books we have possibly read. We have read through and I am also certain that I am going to go back and study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
