This resource offers a hopeful, simple way for us to gain new understanding about how we operate from the inside out. Designed to maximize personal well-being and improve school climate, behavior and learner performance, chapters such as Flawsome and Fun, Understanding the Lost Thinker and Making Room for Happiness provide vocabulary building, reflective journaling, and a variety of engaging writing and creative activities to help draw out teens awareness of their own inner wisdom. Amazing free digital media tools are highlighted to enhance each activity. The authors designed the curriculum to be inclusive of all learners, meet official learning objectives and student competency standards, including English Language Arts, Communication, Thinking, Personal Social Health Education, Personal Responsibility and Social Responsibility. Universal principles are introduced, making this curriculum for global use with all learners. In addition, curriculum guidelines from Canada, the United...
