Parrot Quiz Book No 1

By Low, Rosemary

Insignis Publications, 1997. Paperback. Condition: New. The quizzes in this book are designed to appeal to all levels of knowledge and all areas of interest. 42 quizzes are arranged in three sections, each section more difficult than the last. Review from Australian Birdkeeper magazine: What a terrific idea! From one of the most prolific avicultural writers and authorities in the world today, Rosemary Low has compiled this wonderful little book. Consisting of 92 pages, this soft covered book is absolutely packed with questions and answers, in fact 644 questions with accompanying answers, Graded for Standard, Advanced and Expert aviculturists. A wonderful way to while away the hours when you're not cleaning cages, feeding birds, changing perches or hanging nest-boxes. The questions are grouped under 13 different headings ie General, African Parrots, Aviculture, Cockatiels, Lovebirds etc. with 12 questions in each quiz. There is a special section that Rosemary has included for Australian parrot lovers, because of the limited access to the wide range of exotic species. The questions have been designed to be informative with most of them based on fact, rather than opinion. Some examples are as follows: Standard Quiz No 7, Question 5 -- Eclectus Parrots are mainly seed eaters....

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
