The Atlanta Cycle of studies into the Negro problem aims at exhaustive and periodic studies of all these subjects so far as they relate to the American Negro. On the other hand, the United States government and the churches themselves have published a great deal of material and it is possible from this and limited investigations in various typical localities to make a study of some value. This investigation bases its results on the following data: United States Census of 1890. Minutes of Conferences. Reports of Conventions, Societies, etc. Catalogues of Theological Schools. Two hundred and fifty special reports from pastors and officials. One hundred and seventy-five special reports from colored laymen. One hundred and seventeen special reports...
