## UNITED STATES DECLARATION OF INDEPENDENCE

Createspace, United States, 2014. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Declaration of Independence is the usual name of a statement adopted by the Continental Congress on July 4, 1776, which announced that the thirteen American colonies, then at war with Great Britain, regarded themselves as thirteen newly independent sovereign states, and no longer a part of the British Empire. Instead they formed a new nation-the United States of America. John Adams was a leader in pushing for independence, which was unanimously approved on July 2. A committee of five had already drafted the formal declaration, to be ready when Congress voted on independence. The term Declaration of Independence is not used in the document itself. Adams persuaded the committee to select Thomas Jefferson to compose the original draft of the document, which Congress would edit to produce the final version. The Declaration was ultimately a formal explanation of why Congress had voted on July 2 to declare independence from Great Britain, more than a year after the outbreak of the American Revolutionary War. The national birthday, Independence Day, is celebrated on July 4, although Adams wanted July 2. After ratifying the text on July 4, Congress issued the Declaration of Independence in several forms. It was initially published as the printed Dunlap broadside that was widely distributed and read to the public. The source copy used for this printing has been lost, and may have been a copy in Thomas Jefferson s hand. Jefferson s original draft, complete with changes made by John Adams and Benjamin Franklin, and Jefferson s notes of changes made by Congress, are preserved at the Library of Congress. The most famous version of the Declaration, a signed copy that is popularly regarded...
