In everyone s life, at some time, our inner fire goes out. It is then burst into flame by an encounter with another human being. We should all be thankful for those people who rekindle the inner spirit. -Albert Schweitzer For Dr. Katy Garrity, life is a whirlwind, and the New York Fire Department is the heart of the storm. After claiming so many people she loved, including her own husband, Katy is left adrift, trying to keep up with a busy career, a baby son, and her loving extended family. Her only anchor is Jesse O Neil, her late husband s best friend. The charming former playboy has put his entire life on hold to care for Katy and her son. It s inevitable that sparks will flare between them, but all of life seems to be conspiring to keep them apart. Especially Katy s own heart, which shies away from trusting another firefighter. Will the flames of passion burst into a lifetime of love? Or will secrets burn away their connection, causing Dr. Garrity to be burned again?.
