Choc Lit, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. What happens when you can fly, but you just can't hide? Only Jessica Pearson knows the truth when the press portray her as the woman who betrayed her lover to escape prosecution. But will her new job flying an outback air ambulance help her sleep at night or atone for a lost life? Doctor Adam Gilmore touches the lives of his patients, but his own scars mean he can never let a woman touch his heart. Runaway Ellen Parkes wants to build a safe future for her two children. Without a man - not even one as gentle as Jack North. In Coorah Creek, a town on the edge of nowhere, you're judged by what you do, not what people say about you. But when the harshest judge is the one you see in the mirror, there's nowhere left to hide. Set in the Outback of Australia - a perfect example of Chook Lit!
