Brand New Book ***** Print on Demand *****.Excerpt from History of Philosophy, Vol. 1 The History of Philosophy as a Historical Science The history of philosophy is both a science history and philosophy; it links two different fields of endeavor. As a science of history it seeks to acquaint us with the wealth of thought bequeathed by the philosophers of the past and of the present. For this reason it provides us with whatever is known of their lives, their works, and their systems. In so doing it not only portrays what once actually existed but also, by developing the notions and the thoughts that have been or are current, seeks to make accessible to us a knowledge of this rich heritage. This is accomplished by examining the origins of both the men and their works, by placing them in their proper relation to greater spheres of thought, by correlating them with other contributions and with the all-pervading spiritual and cultural currents among peoples of various eras, and finally by unfolding for us the fundamental suppositions and the ultimate assumptions from which the concepts,...
