

Learn to Attack with Rudolph Spielmann

By Eric Schiller

Ishi Press. Paperback. Condition: New. 152 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. This book is designed to teach the aspiring chessplayer how to build an attack from the opening. It is based on the games of Rudolph Spielmann, one of the greatest attacking players of all time. All of the games belong to the category of the Open Game, characterized by the initial moves 1. e4 e5. One hundred games have been selected to illustrate not only how to carry out in attack, but how to build an attack from the opening. I have chosen to concentrate on the Open game because it is here that the attacking motifs are most clearly illustrated, and the types of defensive mistakes must closely reflect those made by beginner and intermediate players. Classical openings, and particular the Open games, are the best foundation for an aspiring chessplayer. In fact, almost all World Champions have spent a great deal of time exploring both sides of these openings, which were seen even in the World Championship match between Gary Kasparov and Viswanathan Anand. It is well-known that the most instructive games for novices are those which involve players from the Classical and Romantic periods of...
