ORGANIC DREAMS AND PICKLED NIGHTMARES: A POCKETFUL OF POLITICAL POEMS FOR THE RESISTANCE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Organic dreams and Pickled Nightmares is a collection of poems for those who are frustrated and even angered by the turn our country has taken of late. From Running Out of Adjectives to We ve been Trumped, these poems are a perfect way to connect to the zeitgeist of those who feel we have just entered the political version of a Twilight Zone episode. If you feel you are living a Saturday Night Live version of reality, which is no longer funny because the world as we know it is unraveling before our eyes, this book will offer support and relief. This pocketful of political poetry, written by a naturalist and activist for the resistance, covers topics from healthcare to overpopulation, and conservation to our current political nightmare. Sprinkled throughout are words of encouragement and hope. Shragg encourages us to gather a Seatbelt of Friends and Put on your Protest Shoes. Read these original thought-provoking poems to find comfort in knowing you are not alone.
