Home, where Raffa's beloved companion, Echo the bat, will recover from his mysterious sickness. To get there, Raffa and his friends must journey across Obsidia, traverse treacherous terrain, and evade the Chancellor's guards. Along the way, Raffa will discover a luminous plant unlike anything he's seen before. His powerful intuition as an apothecary tells him that the strange botanical might be the key to saving the creatures stuck in the Chancellor's grasp . . . if only Raffa can unlock the plant's secrets and deliver the cure to the captive animals. The second installment in Linda Sue Park's spellbinding Wing Claw trilogy masterfully explores one boy's responsibility to his friends, family, and the wider world.

Reviews

It is just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).
