Brand New Book ***** Print on Demand *****.This book combines three previously published titles: 1. PreAdamic Creation-Genesis Gap 2. The Genesis Gap - Ignored and Misunderstood 3. This book resource covers all important aspects of this intriguing Bible subject, with each point of truth being solidly confirmed by the Holy Scriptures. The attentive reader will find that scriptural-backing for each aspect of the teaching is not taken out-of-context but agrees completely with what God s Word actually reveals in regard to His awesome creation.
