BH Books, 2017. Paperback. Condition: New. Language: English . Brand New Book. Have you ever worried that doubling down on your debt repayment is robbing your family of memories and fun? Or had a major appliance fail, right after splurging on an expensive purchase or vacation? The tension between giving to church or charity and paying for your kids tuition or sports equipment is real. Money and life are inextricably linked. They don't run on independent tracks but rather continually exist together, both of them somehow needing to be handled with steady applications of wisdom and biblical integrity, even when they seem in direct competition. Veteran financial counselor and trusted author Ron Blue helps you navigate the seeming incompatibilities of money management. His liberating, simplifying analysis breaks down all your financial options to a basic four, then shows you how to adeptly keep them spinning alongside each other without leaving you consumed by confusion or regret--in fact, with all your dreams, plans, and principles still intact.
