Driving school looks at the engineering and science of driving. On the track puts the child behind the wheel in a variety of high-speed cars, including stock cars, Formula 1 cars and sports racers. In this section, the child can find out how to speed off the grid, negotiate corners and deal with skids. Feature boxes include a checklist of things to remember; fast facts with fascinating tips and trivia; and step- by-step sequences detailing race strategies for finishing first. The final ID section pages explain how to identify different kinds of racing cars, including historical models.
