Abrams, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. Ten creepy monsters met neath a gnarled pine. One blew away, And then there were nine. And so the countdown begins. A mummy, a witch, a ghost, a werewolf, a vampire and other all gather, but one by one their crowd diminishes. At last there is only one creepy monster left. But what kind of monster is it? A playful and humorous twist on the perennial favourite, the 10 Little Bears nursery rhyme. Carey once again illustrates the primary story, but then tells little stories in the pictures as well. A great book to read aloud year round, but especially for Halloween.
