THE COVENANTERS

NMSE - Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The Covenanters, Claire Watts, When Charles-I came to the throne in 1625 he began to make changes in the way Scotland was run, including the introduction of a new prayer book. He believed that a king was given his position by God and that no one had the right to question his actions, so when protests were made and a document known as 'The National Covenant' was drawn up, cruel punishments were inflicted on the protesters who became known as the 'Covenanters'. This brand-new title in the "Scotties Series" explains the complex topic of the Covenanters to children - it will also be a useful introduction to the subject for adults. "Scotties Books" contain a wealth of interesting facts, stimulating activities, websites and suggestions for places to visit.
