Reviews

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.

Outskirts Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ps--It s All About Love: How a Painful Journey with Psoriasis Became a Life Devoted to Healing Others For more than twenty years, Kim Weiler struggled with psoriasis, an auto-immune skin disease. No doctor could offer her successful treatment, and she began to feel frustrated and hopeless at the seeming lack of answers and understanding from the medical community. Help finally came from a most unlikely source: her dog Max s vet. From that introduction to how food and toxins affect the body, Weiler started on a journey of exploration of nutrition and self-love. She found that diet, not pharmaceuticals, can get to the root of illness. Through nourishing her body with whole foods, boosting her mind and spirt with self-love and positive thinking, she was able to deal with the valid feelings of anger, depression, and shame and heal herself of Ps, a.k.a. psoriasis. Now, as an internationally certified holistic health coach, Weiler helps men, women, and children who have suffered from a variety of skin diseases, auto-immune illnesses, and she encourages people to take control of their own health and heal from the inside out. Through Ps--It s All About Love, part memoir, part guide to better health, Weiler compassionately offers a mind-body-spirit solution while setting an example for what self-love and self-healing really means.
