Continuum Publishing Corporation, United States, 2011. Paperback. Book Condition: New. Reprint. 213 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a major new work from one of the world's most erudite, intellectual, and influential thinkers and writers about sound and music. *Sinister Resonance* begins with the premise that sound is a haunting, a ghost, a presence whose location is ambiguous and whose existence is transitory. The intangibility of sound is uncanny - a phenomenal presence in the head, at its point of source and all around. The close listener is like a medium who draws out substance from that which is not entirely there. The history of listening must be constructed from the narratives of myth and fiction, silent arts such as painting, the resonance of architecture, auditory artefacts and nature. In such contexts, sound often functions as a metaphor for mystical revelation, forbidden desires, formlessness, the unknown, and the unconscious. As if reading a map of hitherto unexplored territory, *Sinister Resonance* deciphers sounds and silences buried within the ghostly horrors of Arthur Machen, Shirley Jackson, Charles Dickens, M.R. James and Edgar Allan Poe, Dutch genre painting from Rembrandt to Vermeer, artists as diverse as Francis Bacon and Juan Munoz, and the writing of many modernist authors including Virginia Woolf, Samuel Beckett, and James Joyce.
