Why is it that the Griffin Wheel Company no longer sells wheels but wheel service on a mileage basis? The answer to all these questions is the same: There has been a rapid evolution in American business of recent years, to the great advantage of the consumer, and to the equal benefit, although less easily perceived, of the seller. If the lumber manufacturers have been backward in this development, they are none the less willing to acknowledge and subscribe to its worth right now. The White Pine Monograph Series is simply one evidence that the lumber manufacturers have caught step with the times. They realize that no longer is it their function merely to sell White Pine, a tangible commodity. They realize...
