Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the 25th century, as Julian XX, the fierce Red Hawk, he will lead humanity s final battle against the alien invaders. The American people are now a nomadic horse nation, painted and feathered. Their chieftain is Julian, the Red Hawk, and he is planning the final defeat of the hated Kalkans after centuries of oppression. Edgar Rice Burroughs is one of the world s most popular authors. With no previous experience as an author, he wrote and sold his first novel- A Princess of Mars -in 1912. In the ensuing thirty-eight years until his death in 1950, Burroughs wrote ninety-one books and a host of short stories and articles. Although best known as the creator of the classic Tarzan of the Apes and John Carter of Mars, his restless imagination knew few bounds. Burroughs s prolific pen ranged from the American West to primitive Africa and on to romantic adventure on the moon, the planets, and even beyond the farthest star. No one knows how many copies of ERB books have been published throughout the world. It is conservative to say, however, that with the translations into thirty-two known languages, including Braille, the number must ran into the hundreds of millions. When one considers the additional worldwide following of the Tarzan newspaper feature, radio programs, comic magazines, motion pictures, and television, Burroughs must have been known and loved by literally a thousand million or more.
