DANDELION ENTERPRISES, United States, 2015. Paperback. Book Condition: New. McKennan Gillette (illustrator). 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.I have written this book as a labor of love for all kids who have ever suffered at the hands of a bully. As a parent I have witnessed bullying first-hand and now as a grandparent my six-year-old grandchild and his friends are wrestling with an older child who is calling them names and throwing sand at them. We have to teach our children to be better, to do better, and to accept diversity if we ever want to get out of the cycle of violence that is present in society today. I hope this little book might help a child with a different perspective and I pray that someday we can all be as one as a human race.
