

## Enabling Praxis: Challenges for Education (Paperback)

By -

Sense Publishers, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In a range of professions, professional practice today is under threat. It is endangered, for example, by pressures of bureaucratic control, commodification, marketization, and the standardisation of practice in some professions. In these times, there is a need for deeper understandings of professional practice and how it develops through professional careers. Enabling Praxis: Challenges for education explores these questions in the context of the initial and continuing professional education of teachers. It presents a theory of the development of praxis - morally committed action oriented by tradition - to show the ways praxis is enabled and constrained by the cultural-discursive, material and social-political conditions under which professional practice occurs. It introduces the notion of practice architectures to show how particular conditions for practice shape the possibilities of praxis. The way these processes work is illustrated by detailed exploration of a number of cases of praxis development in a variety of educational settings, at a variety of levels - in teacher education for schools and for vocational education and training, in the continuing professional education of teachers, in educational administration, and in informal...
