By Wallace Delois Wattles

Createspace, United States, 2015. Paperback. Book Condition: New. Annotated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Wallace D. Wattles was a writer best known for his literature on the New Thought Movement that was developed in the 1800s. This was a spiritual movement in the United States that followed the teachings of a spiritual teacher named Phineas Quimby. His New Thought ideas had to do with God being everywhere in our lives and that everything we do are divine. If we were to endure hardship, like develop an illness, then we must open our minds to God's wisdom in order to overcome it. This same concept can be applied to mental barriers that hold us back from being successful. In the book *The Science of Getting Rich*, Wattles explains how to overcome these mental barriers and how creating something new will attract more wealth than simply trying to compete with others. In the book *The Science of Getting Rich*, Wattles describes certain mental concepts and strategies that will help become wealthier in your life. For example, someone with a negative mindset who is always cynical will never be able to create wealth...
