Excerpt: . . . that the Latin American countries are appreciative of the importance of the canal and intend to be ready to take advantage of its opportunities. This line will receive a subvention from the Chilean Government, and it is now their plan to build first two 16-knot ships of 10, 000 tons, to follow with the construction of four others of the same or larger size to be in commission when the Panama Canal is opened, or soon afterwards. Following the publication by the newspapers of this information, which came to the Pan American Union in a cable from Capt. Fortescue, of its staff, who was then in Chile, a number of the big shipbuilding firms of the United States expressed a desire to compete for the construction of these vessels. Whether they are built in the United States or elsewhere they will prove a powerful influence in developing travel and trade between North and South America. These vessels should make the journey from New York to Valparaiso in about ten days. BOLIVIAN TARIFF AND APPRAISEMENT SCHEDULES. The latest pamphlet published by the Pan American Union in regard to the tariffs of Latin-American countries is entitled Bolivian Tariff and Appraisement Schedules. It has recently come from the press, and there is already a large demand for it from business men not only in the United States, but from all countries doing business with Bolivia. This is the second of the set of tariff pamphlets which the...
