

Experiences of Test Automation: Case Studies of Software Test Automation

By Dorothy Graham, Mark Fewster

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Experiences of Test Automation: Case Studies of Software Test Automation, Dorothy Graham, Mark Fewster, Software test automation has moved beyond a luxury to become a necessity. Applications and systems have grown ever larger and more complex, and manual testing simply cannot keep up. As technology changes, and more organizations move into agile development, testing must adapt-and quickly. Test automation is essential, but poor automation is wasteful-how do you know where your efforts will take you? Authors Dorothy Graham and Mark Fewster wrote the field's seminal text, Software Test Automation, which has guided many organizations toward success. Now, in Experiences of Test Automation, they reveal test automation at work in a wide spectrum of organizations and projects, from complex government systems to medical devices, SAP business process development to Android mobile apps and cloud migrations. This book addresses both management and technical issues, describing failures and successes, brilliant ideas and disastrous decisions and, above all, offers specific lessons you can use. Coverage includes * Test automation in agile development * How management support can make or break successful automation * The importance of a good testware architecture and abstraction levels * Measuring...
